Reported Speech: Statements

1 Complete the rules

We use reported speech to tell someone what another person said. The main verb usually moved back one tense into the \_\_\_\_\_. We also change pronouns and possessive adjectives where necessary and there are often changes in words that show \_\_\_\_\_ and place.

We can use the verbs say and tell to report speech. When we use \_\_\_\_\_, we follow it with an object.

2 Choose the correct verb

- 1 The film critic **told / said** that *Quartet* was the best film he'd ever seen.
- 2 I was impressed when my drama teacher said that *she / it* had performed on Broadway.
- 3 We told our parents that we would go to the sports with them the **last week / following day**.
- 4 David said he had lost Jerry his music book the day **before / yesterday**.
- 5 The director said he was busy **at the moment / at that moment**.
- 6 Mrs. Hill said her sons friend had broken **her / his** CD player.
- 7 Tina told me that **she / I** recommended buying the soundtrack of *Mamma Mia*.
- 8 I **told / said** Julia that she had to rehearse for the audition.

3 Change the direct speech into reported
